

Community Service Verification Form

Every Pivot Charter School student is required to participate in 20 hours of community service each semester. Community service may include activities such as working for a soup kitchen, a church or nursing home etc... It may NOT include assisting the student's parent/guardian or anything for which the student receives compensation. The verification of hours must be signed by a staff person or supervisor of the organization with whom the student participated; the form may not be signed by the student's parent/guardian. There are several types of Community Service. They include:

Direct Community Service (person-to-person, face-to-face service) such as assisting in a nursing home.

Indirect Community service (working on broad issues, advocacy, environmental project, community development) such as a recycling project or a beach clean-up.

Research-Based Community service (gathering and presenting information on areas of interest and need) such as presenting information to a group of elementary school students about ecology.

Advocacy Community service (educating others about topics of public interest) such as participating in a rally to save our lakes and streams or making posters about the environment and "going green."

Student name: _____ Completed _____ hours of service

Participated on the following date (s): _____

At (locations): _____

To complete the following community service activities: _____

Signature of person supervising and verifying
hours (may not be a parent)

Printed name

Phone number of person supervising and verifying hours: _____
